Ref:- RCG GLOBAL NETWORKS LTD.

Dear Sirs,

This is the first time that I feel obliged to write a testimonial letter.

We asked RCG GLOBAL NETWORKS LTD to install a new Switchboard system 3 months ago, and then changed from B.T. for them to supply our network and data communications.

I cannot stress more how smooth and prompt this changeover was and how polite and informed they have been throughout.

The fact that we can phone a person that is knowledgeable and helpful for advise at any time and knowing that this service is so much cheaper than B.T. is another reason why I would recommend them without hesitation.

Yours sincerely,

Wm. Tarbuck
